Calling Attenton to in matter of rgent public importance :—

Re:—Termination of Services of the Second Division Clerks Deputy Commissioner Raichur

ಶ್ರೀ ಎಂ. ನಾಗಪ್ಪ (ರಾಯಚೂರು) :—ಸ್ವಾಮಿ, ಜರೂರಾದ ಸಾರ್ವಜನಿಕ ಪ್ರಾಮುಖ್ಯತೆಯ ವಿಚಾರವೊಂದನ್ನು ಎಂದರೆ, ರಾಯಚೂರು ಜಿಲ್ಲಾಧಿಕಾರಿಗಳು ಎರಡನೇ ದರ್ಜೆಯ ಗುಮಾಸ್ತರುಗಳನ್ನು ಕೆಲಸದಿಂದ ತೆಗೆದು ಹಾಕುತ್ತಿರುವ ವಿಚಾರವನ್ನು ಮುಖ್ಯ ಮಂತ್ರಿಗಳ ಗಮನಕ್ಕೆ ತರುತ್ತೇನೆ.

SRI VEERENDRA PATIL (Chief Minister) :—Sir I state as :—

Under the orders of Government regarding reservation of vacancies for Scheduled Castes, Scheduled Tribes and Backward Classes, issued on 6th September 1969, all vacancies have to be classified according to a cycle of 33 vacancies. The appointing authorities have to determine the number of posts to be reserved for Scheduled Castes, Scheduled Tribes and Backward Classes with reference to these orders while sending the sequisition to the P. S. C. The appointing authorities are also required to intimate to the P S. C. the number of vacancies that are existing and also a forecast of vacancies that are likely to occur in a year. On the basis of the requisitions received from the appointing authorities the P. S. C. makes selections and furnishes the lists of candidates to the appointing authorities. While these lists contain the required number of Scheduled Castes, Scheduled Tribes and Backward Classes candidates, as notified by the appointing authorities, the name of candidates are arranged in order of merit.

The appointing authorities are required to make appointments strictly according to the rank assigned by the P.S.C. to these candidates in the lists and they are not entitled to change the ranks assigned by the P.S.C., or to appoint candidates belonging to different classes to provide for reservation as this will have already been done by the P.S.C.

It has been ascertained from the Deputy Commissioner, Raichur that the number of 56 vacancies notified to the P. S. C. for selection of candidates for the posted of Second Division Clerks was later reduced. Orders of appointment have been issued by the Deputy Commissioner to the first 38 candidates according to the list sent by the P. S. C. against 38 vacancies, which were available. While appointing these 38 candidates, the services of the junior—most local candidates had to be terminated, even though they might have been included in the list of selected candidates, if their ranks were very low *i e*, below 38. These candidates will, however, be eligible for appointment as and when further vacancies occur, to which

they could be appointed. The reduction in the number of vacancies from 56 to 38, has occurred owing to the retrenchment of posts in the Food Branch, etc. The Scheduled Caste candidates being at the end of the list had to be retrenched, in view of the fact that the total number of vacancies notified to the P.S.C. about 2 years earlier on the basis of which the selections have been made, were not available, at the time of issue of appointment orders.
